

TIM JULIEN (1958-2017)

Tim Julien, a true pioneer and founding father of our industry, passed away from a heart attack on April 3, 2017. Tim was a disabled veteran, retired from the Army, and he owned and operated A&T Wildlife Management Services in Indianapolis.

He served 10 years as the first president of NWCOA and had a huge impact on the industry. Tim was very helpful and instrumental in getting CWCOA going back in 2002-2003. He was our conference keynote speaker twice. He was also a leader in Fur Takers of America and an instructor for the Trappers College.

Time is survived by his wife Shelly, four daughters, two brothers, five sisters and seven grandchildren. Tim was a great man who will be greatly missed.
